Physician Opportunities

Join South Carolina's largest **INDEPENDENT** physicians group

Palmetto Primary Care Physicians has cared for patients across South Carolina for over 25 years. Our physicians enjoy the benefits of practicing medicine with autonomy, while receiving the corporate support needed to adequately staff, manage and grow a medical practice in 2023.

Our Physicians:

- Receive Administrative Support
- Benefit from Additional Income Opportunities
- Hold Negotiating Leverage when it comes to Payer Contracts
- Extend their Care for patients outside of the clinic by leveraging our Support Services
- Advance their Career

We are currently seeking talented, physician candidates in the following specialty:

- Family Medicine

Additional physician opportunities available throughout South Carolina. **All physician inquiries or discussions are confidential.*

 **Leader in affordability for patients' healthcare services**

What makes us leaders in quality care?

- Formation and participation of our own Accountable Care Organization (ACO) - AVANT MSO
- Consistent proven success with ACO total savings for Medicare
- Low all-cause patient readmission rate
- Consistently among the lowest in the nation for number of poorly controlled (A1C >9) diabetic patients
